How to Play

1. Find the Pieces: each round piece under the picture is a small part of the big picture. Find where it is and circle it.
2. Hidden Pictures: small objects are hidden in the drawing. Find each one shown under the picture and circle it. Then color the page!
3. Tick one small circle for each thing you find. The pages start easy and get harder as you go.
4. Stuck? The answers are at the back of the book.
